

A Message from the Mesa

Starting this **Saturday, October 24**, we are excited to be able to have you visit the Mesa!
Please review the following protocols and procedures:

- Families are welcome to come to campus, but **students cannot leave the Mesa**.
- Everyone who visits must complete a **pre-screening health form** on the [Veracross Parent Portal](#) prior to arrival. **We cannot admit anyone onto the campus unless it is completed**. If the response to any of the symptoms/questions in the form is yes, we kindly ask that you reschedule your visit.
- While on campus, **face coverings must be worn at all times**.
- Maintain **at least six feet of physical distance**.
- Per our health and safety guidelines, **parents cannot go into any buildings**, including dorm rooms. Restrooms are located in Sprague Gym and lower Schoolhouse for use during your visit.
- **Pets are okay** on a leash.
- **All family members are welcome** if they follow all of the above guidelines.
- Please note that **no food service will be offered** to visitors on campus. You can bring a picnic from home if you'd like.

Please note that these protocols will be in place starting next Saturday and will remain in place for the foreseeable future.

Thank you for your cooperation in making your visit to the Mesa a safe and pleasant one! If you have any questions about this, please join us for a **Parent Q&A on Wednesday at 5:00 p.m. PT via Zoom**.

We look forward to seeing you soon!
