

A Message from the Mesa

Greetings, Day Students and Families!

Our Director of Studies, Lisa Holmes, has information below about the schedule for next week. I wanted to add a few quick notes before you look the schedule over:

- Students, don't forget Grace's email--sign up for beach activities on Sunday, October 11!
- Per county guidelines, day students can resume their normal activities with COVID-safe protocols--including club sports--the afternoon of Tuesday, October 13
- Please note that all day students will get a repeat COVID test on the afternoon of Wednesday, October 14
- In our pandemic world, it is always possible that we may have to make last-minute changes to these plans. Thank you so much for your understanding and flexibility.

All the best and please email with any questions,

Kate Parker
