

A Message from the Mesa

Please see below for important steps that must be completed prior to your student's campus arrival. For questions, please review our [Return to Campus plan](#) and [this FAQ document](#).

Boarding Students Arriving with Parents

Schedule an Arrival Time

Please use the following process to schedule an arrival time only if you are bringing your student to campus:

1. Log into your [Veracross Parent Portal](#).
2. On the Parent Portal, click the "Register For An Arrival Time" button located under the "Special Links" section.
3. Select a time and click the "ReserveTimes" button to schedule your arrival time.

Day Students

On-Campus Testing Sign-Up

Please use the following process to schedule your on-campus COVID-19 test:

1. Log into your [Veracross Parent Portal](#).
2. On the Parent Portal, click the "Register For An Arrival Time" button located under the "Special Links" section.
3. Select a time and click the "ReserveTimes" button to schedule your arrival time.

Boarding Students

If you require school transportation from LAX or SBA

Please complete this form if your student will be arriving to LAX or SBA without a parent and will require transportation to campus.

For questions, please contact Office Manager for Student Services Beth Wilson at beth_wilson@cate.org.

All Students

Quarantine at Home & Get Tested

We are asking all students, both domestic and international, to limit their exposure in the two weeks leading up to traveling to Cate. We are further requiring that all boarding students get COVID-19 tested within 10 days prior to returning to the Mesa and provide us with confirmation of a negative test. Upon arrival to campus, we will test them again, and then again 7 days later.

All Parents & Students

Read the Handbook Addendum

All parents and students must read the [Student & Parent Handbook Addendum for COVID-19](#). It contains critical information that is not covered with the same depth in the [Return to Campus plan](#). Included in the handbook is our social contract, which speaks to the disposition with which we approach this year. Students will review and sign this with their advisors closer to their return to campus.
